

Program Structure

	Sunday 21 February	Monday 22 February	Tuesday 23 February	Wednesday 24 February	
M o r n i n g		Registration			
		Opening Remarks	Piezoelectrics for devices I: High Power, Industrial and Medical applications	Piezoelectrics for devices III: Energy	
		Plenary Talk			
		Lead-free Ferro-piezoelectric Ceramics			
		Coffee Break		Coffee Break	Coffee Break
		Prospects on Piezoelectric Ceramics	Parallel Session (Industrial)	Piezoelectrics for devices II: High Power, Industrial and Medical applications	Advanced structural, piezoelectric and mechanical characterization and modeling
A f t e r n o o n		Lunch		Lunch	Closing Remarks
		Transducers, sensors, sonars and actuators		Cultural Event	
		Coffee Break			
		Processing, Films, Monocrystalline piezoelectric materials		Poster Session	
		Welcome Party Registration		Gala Dinner
