

# Program Structure

	Sunday 21 February	Monday 22 February	Tuesday 23 February	Wednesday 24 February
M o r n i n g	Winter School	Opening Remarks	Piezoelectrics for devices I: High Power, Industrial and Medical applications	Piezoelectrics for devices III: Energy
		Plenary Talk		
		Lead-free Ferro- piezoelectric Ceramics		
		Coffee Break	Coffee Break	Coffee Break
		Prospects on Piezoelectric Ceramics	Piezoelectrics for devices II: High Power, Industrial and Medical applications	Advanced structural, piezoelectric and mechanical characterization and modeling
A f t e r n o o n	Winter School	Lunch	Lunch	Closing Remarks
		Transducers, sensors, sonars and actuators	Round Table (Industrial)	
		Coffee Break		
		Processing, Films, Monocrystalline piezoelectric materials	Poster Session
